

To agree, or not to agree? Agreement making under the Fair Work Act

Presented by Frank Parry, Senior Counsel

The Industrial Relations Society of Victoria is pleased to invite you a breakfast seminar exploring the recent lessons learnt about agreement-making under the Fair Work Act.

To agree, or not to agree?

It has been about ten months since the commencement of the Fair Work Act 2009 (Cth) and issues continue to arise with respect to agreement making. There have been many important changes to the industrial landscape, and the amendments to the agreement making regime have affected the way in which many employers operate.

Join us as we explore the operation of Part 2-4 of the Fair Work Act, through the experienced eyes of Frank Parry, Senior Counsel, and how it impacts on your organisation.
